

Coin Drawing Workshop – Materials List

You'll need:

- Printed line drawing
- Paper of your choice - 300gsm is great if you have it but not essential
- Black pencil - which ever brand you have will work
- White pencil - which ever brand you have will work
- Pencil sharpener
- Eraser

Before the workshop, you'll need to transfer the line drawing onto your paper of choice, I've included a short video showing two ways to do this.

If you don't have a spare device to display your reference image, you may wish to print that out before our workshop.

Most importantly, please don't let a lack of art supplies stop you from joining us.

Bring what you have and we'll make it work.
